

My Adventure Challenge

Try two adventurous activities. You could try:

- archery
- bouldering
- zipwire or aerial runway
- climbing
- crate stacking
- grass sledging
- swimming
- pedal go-karts.

You could try these out at Eaton Vale or Two-Mile Bottom and link it with a camp. You can also try some Scout huts, some have the facilities for climbing, archery and/or crate stacking.

For swimming, try out your local swimming pool or even some schools have can help facilitate this.

Take part in six other outside activities. You could try:

- following a trail
- building a den
- having a go on an obstacle course
- roasting marshmallows on a fire or BBQ
- building a sculpture using sand, snow or mud
- playing water games
- flying a kite you have made

You could do this as part of a camp and set your activities around this. Alternatively, you could pick a couple of these activities and do them within a meeting night, the summer would be the best time for this.

You could have a water fight in the summer, build a den in your local woods, follow a trail around your local area or make a kite and fly it. Website: <https://www.instructables.com/id/A-Garbage-Bag-Kite/>

Go on a ramble or nature walk with a purpose.

It's as simple as going for a walk, but with a purpose. It could be to find out about the local wildlife, to see the local community, a treasure hunt, a picnic or to go on a bear hunt.

In terms of distance, base this on your Beavers abilities. Some could walk 5km an hour and others get bored and tired after 30 minutes. Always base it on the slowest walking Beaver or your team's ability.

You can use this to work towards the Hikes away stage badge.

Learn the Green Cross Code and show that you can cross a road safely.

Think.....Stop....Look and listen....Wait....Look and listen again....Arrive Alive!

You can check out the Roadwise website for some good images and resources:

<https://www.roadwise.co.uk/schools/using-the-road/green-cross-code/>

Think.gov.uk have a good road checklist to use:

<https://www.roadwise.co.uk/schools/using-the-road/green-cross-code/>

and a good poster:

<https://www.think.gov.uk/resource/road-safety-education-tips/>

You could always have the police come and visit and talk about the Green Cross Code and road safety.
